

JON TERRENCE POWELL, P.E.

30 Joseph Drive South
Guilford, CT 06437
(352) 682-4007
jon.powell@yale.edu

EDUCATION

Ph.D., Chemical & Environmental Engineering, Yale University (Expected graduation: 2017). Advisor: Professor Marian Chertow.

M.E., Environmental Engineering Sciences, University of Florida (8/2005)
Thesis Title: *Trace Gas Quality, Temperature Control and Extent of Influence from Air Addition at a Bioreactor Landfill*

B.S., Environmental Engineering Sciences, University of Florida, Magna Cum Laude (12/2003)

PROFESSIONAL EXPERIENCE

Doctoral Student, Yale University, Department of Chemical & Environmental Engineering, New Haven, CT (8/2014 – Present)

Principal, Innovative Waste Consulting Services, LLC, Gainesville, FL (1/2007 – Present)

Founder and Principal Developer, WasteUniversity.com, Guilford, CT (9/2013 – Present)

Senior Staff Engineer, Geosyntec Consultants, Jacksonville, FL (8/2006 – 1/2007)

Staff Engineer, Geosyntec Consultants, Jacksonville, FL (8/2005 – 8/2006)

Research Assistant, University of Florida, Gainesville, FL (5/2003 – 7/2005)

PROFESSIONAL LICENSURE

Professional Engineer, Florida #71398 (Active)

Professional Engineer, Connecticut, #30332 (Active)

Ingeniero Licenciado, Puerto Rico #24638 (Inactive)

PEER-REVIEWED PUBLICATIONS

Author of 21 published or submitted peer-reviewed publications in journals including *Nature Climate Change*, *Environmental Science & Technology*, *Journal of Hazardous Materials*, *Waste Management, Resources, Conservation & Recycling*, and *ASCE Journal of Environmental Engineering*.
