

# JAMES ROGERS

17818 Landseer Rd, Cleveland, OH 44119 | (216) 217-9959 | james.m.rogers@yale.edu

## CAREER OBJECTIVE

Motivated college student working towards a B.S. in Chemical Engineering at Yale University. Aiming to use my knowledge of engineering, consulting, and basic workplace prosperity to fulfill the membership at your organization.

## EDUCATION

### YALE UNIVERSITY, NEW HAVEN, CT

BACHELOR OF SCIENCE IN CHEMICAL ENGINEERING, EXPECTED GRADUATION MAY 2020

- **GPA:** 3.27/4.0
- **Relevant Coursework** – Partial and Ordinary Differential Equations, Multivariable Calculus, University Physics, and Intermediate Spanish
- **Clubs:** The investing and consulting group TAMID at Yale

## WORK EXPERIENCE

### CHEN IMMUNOBIOLOGY RESEARCH LABORATORY ASSISTANT

- Complete basic lab upkeep duties such as replacing used lab equipment, cleaning slides and strainers, handling biomedical waste and disposing of mouse carcasses, making 70% ethanol solution, and autoclaving needed tools.
- Also perform administrative tasks such as taking care of newly received lab materials by shelving or distributing them as well as filing the paperwork brought with them.
- Have learned fundamental workplace management and safety as well as flexibility due to needing to be able to carry out anything my supervisor might need at the moment including assembling a newly ordered shelf to put extra supplies on or ordering equipment online.

### MARC GLASSMAN INC. STORE ASSOCIATE

- Worked in stock department shelving supplies, retrieving grocery carts when needed, closing my section of the store in evening shifts, and helping to improve the condition of the store.
- Helped customers constantly with questions or problems.
- Did whatever else was asked of me by my manager such as cleaning bathrooms or helping customers load heavy products into their car.

### KONNECTO INTERN

- Through TAMID at Yale, created a brochure to help market the startup company to professional sports teams.
- Have contributed new ideas and thoughts of what the company should do differently including with regards to how their rewards leaderboard system works.
- Have compiled data of universities and their sports teams to analyze the market Konnecto wishes to enter.

## ADDITIONAL SKILLS

- Computer languages: C++, C
- Spoken languages: Native English speaker, conversational in Spanish
- Adept with Microsoft Office
