

## Conference Proceedings and Presentations (continued):

Makinson, K.A.; Hamby, D.M. Tissue Weighting Factors Derivation and Analysis: ICRP 26, 60, 103. American Nuclear Society Student Conference. Gainesville, FL. April 1-5, 2009.

Makinson, K.A.; Cazalas, E.J.; Ryan, M.C. Ocular Malignant Melanoma Radiation Dose Optimization. Health Physics Society Annual Meeting, Pittsburgh, PA. July 13-17, 2008.

Ryan, M.C.; Cazalas, E.J.; Makinson, K.A. Proton Irradiation of Malignant Melanoma in the Choroid Using Monte Carlo Modeling. American Nuclear Society Student Conference. College Station, TX. Feb. 28 - March 1, 2008.

Makinson, K.A.; Martin, B.; Cruz, R; Heart Rate Analysis in C++, Poster Presentation. The College of Idaho Student Research Conference. Caldwell, ID. May, 2006.

## Specialized Training:

American Board of Health Physics, Certified Health Physics Exam, Successfully Completed Part I

Ludlum Instrument Calibration and Repair Course, September 23 & 24, 2010

Levels I and II Radiation Worker Training, Oregon State University, 2010.

## Volunteer Experience:

Oregon State University Emergency Food Pantry, Corvallis, OR	2010 – Present
KinderCare Preschool, Caldwell, ID	2006
Badger Mountain Elementary School, After School Tutoring, Richland, WA	2002-2003
Habitat for Humanity, Pasco, WA	2002-2003
Cool Dessert Nights, City of Richland, WA	2002-2003
Shalom United Church of Christ, Richland, WA	2002-2003
Second Harvest Food Bank, Pasco, WA	2002-2003
Walk for Diabetes, Richland, WA	2002-2003
Christmas Tree Removal, Richland, WA	2002-2003
National Honors Society Tutoring, Richland, WA	2002-2003
